The parting glance, given fleetingly over the shoulder, is known to create the most enduring impression. We, the class of 1980, now find ourselves taking one final look at this institution and the significance of the years spent here. Once outside looking in, perhaps then we will be able to reflect objectively and with less distortion.

What will we see? If the future is truly a mirror of the past, it will reflect the efforts and aspirations of our present: in retrospect, it will reveal a multifaceted experience which, when taken as a whole, is shown in its true light. It can only be in such a light that we, the class of 1980, will be able to reflect with appreciation upon this part of our lives.

DEDICATION

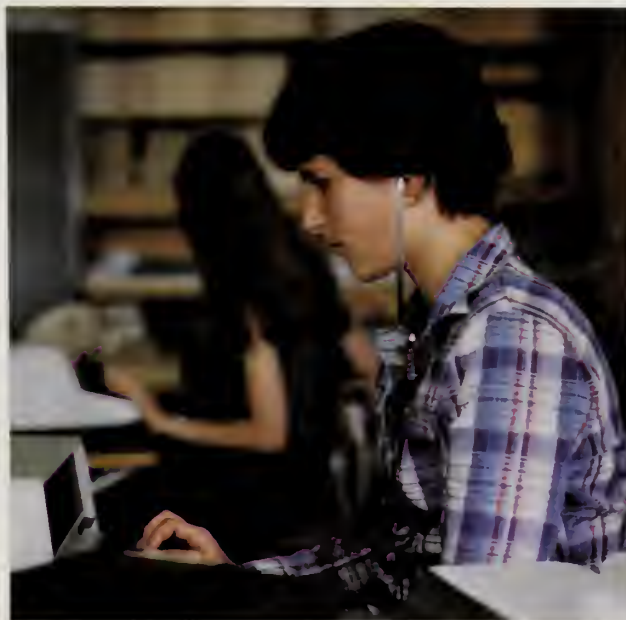

We the graduating class of 1980 dedicate our yearbook to Mr. Robert Fenton, because of the infinite time and effort he has devoted to Enfield High School students.

A 1967 graduate of Enfield High School, Mr. Fenton continued his interest in our school when he returned to the boys' and girls' swim teams and to teach in the Enfield School System. His interest and concern for students has reached beyond the duties of merely coaching them as a team and teaching them as a class. He has taken a personal interest in their lives which has been appreciated by many. Even in our senior year, he helped us prepare our senior class trip to Florida and chaperoned that trip.

We dedicate our yearbook as an expression of our appreciation to him. Thank-you, Mr. Fenton.

The Class of 1980

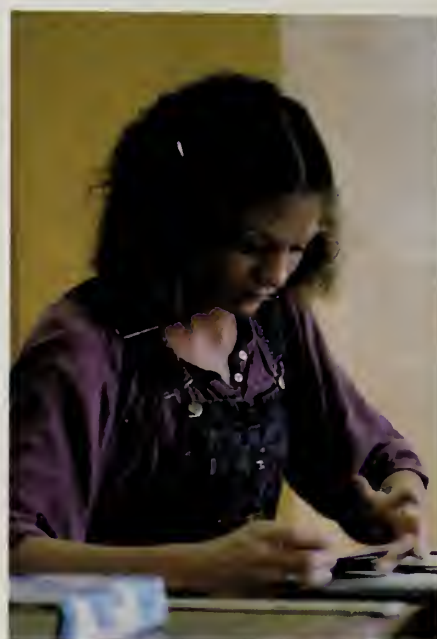

*I'm tired of hearing how I'll miss
my high school days
though it seems the thing to say,
now that they're ending . . .*

I don't know.

*It seems to me the ending
merely signifies the beginning
therefore, why the sense of loss?*

*Perhaps it is the security which we're
meant to miss;
we are disrupting a pattern, which
(although trying at times)
has become a facile one to follow
comfortable, whether or not we choose to admit it.*

*It is this pattern which we take for granted:
we have become too accustomed to
familiar faces
familiar situations.*

Real Life isn't like this . . .

*... and as our lives grow increasingly complicated
with each new option and responsibility;
as each new found freedom must be paid for accordingly,
it is then that we will look again and realize
just how effortless the pattern was to follow,
and how extremely difficult to break.*

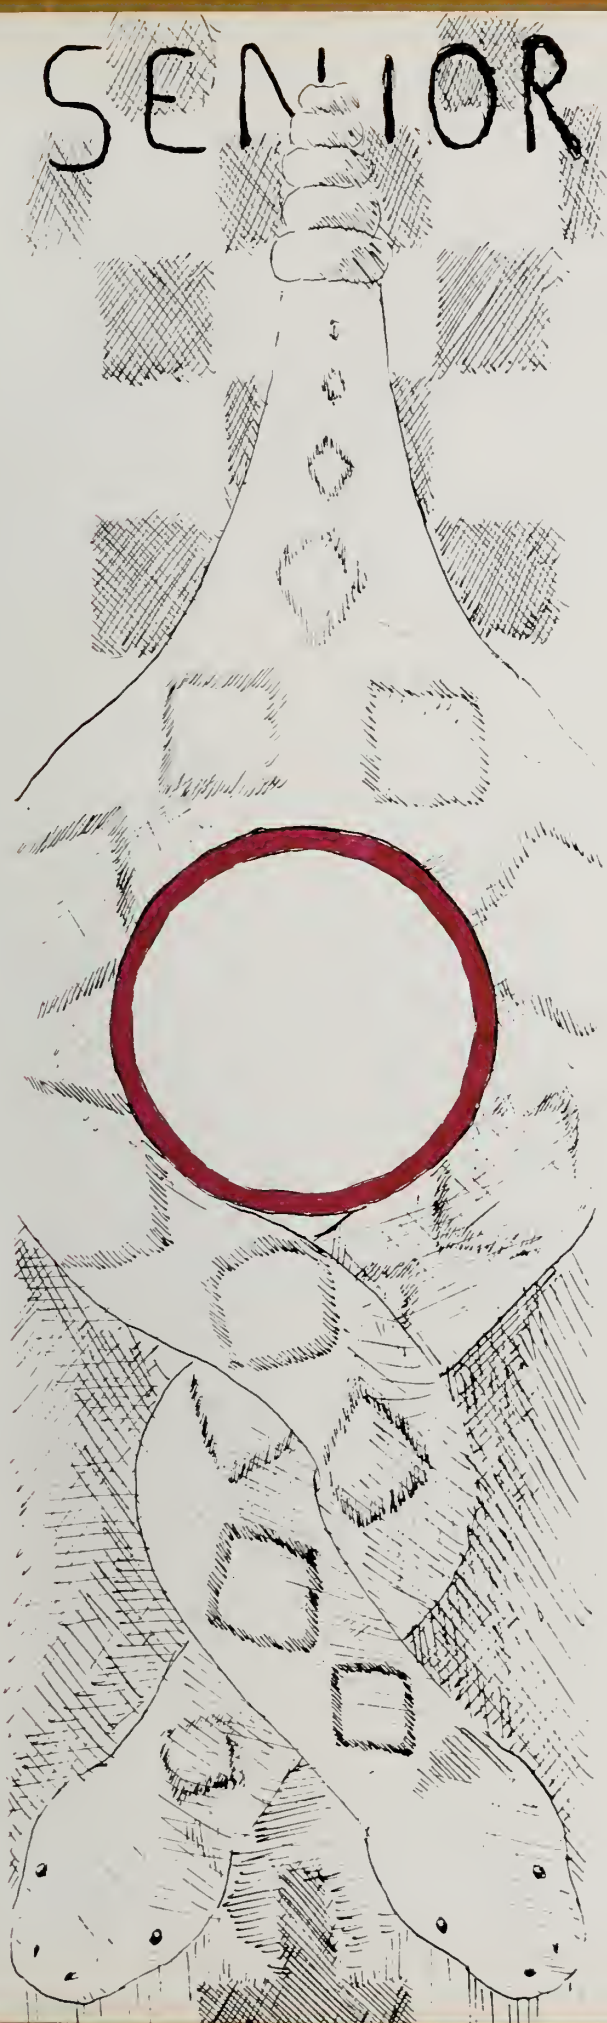

*Here's hoping that the
faces never fade, the image never blurs,
and our vision won't distort in the
reflection . . .*

SENIOR

My three years, here at Enfield High School, have been not only enjoyable ones but also memorable ones.

In 1977, when we entered Enfield High, many of us were acquaintances but as the years went on, we became friends. I recall the many happy times we shared and because of those times I have been able not only to understand other people better, but myself as well.

After graduation day, many of us will be following different roads to happiness. I only hope that someday those roads will unite us again for I am sure our friendships will be lasting.

It has been an honor representing the Class of 1980. I leave you, my fellow graduates, with the hope that you will reach your highest goals. I wish you luck and success in the future.

On any school day students can be found in the school media center completing reference projects, consulting books or periodicals for class assignments or selecting paperbacks for leisure reading. For not only does the collection contain supplementary materials for all of the courses in the curriculum, but also includes many of the fiction and non-fiction titles popular with young people.

GUIDANCE

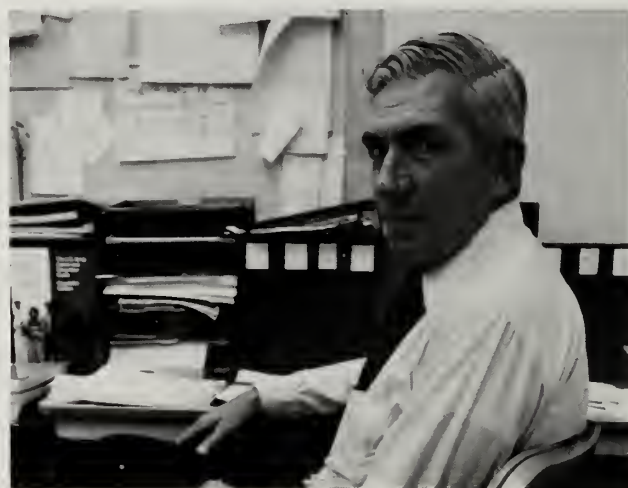

Left to right: Ms. Rae Tober, Mr. Richard Hellstein, Mr. William Wenzel, and Mr. Stanley zuZel.

Department Chairperson Mr. Raymond Cloutier.

The services of the counseling staff are available to students who need educational, vocational, social, and personal counseling. Areas in which counselors may be helpful to students are: Peer Relationships, Adult Relationships, Social Achievement, Course Selection, Testing and Interpretation, High School Curriculum, Career and Vocational Planning.

In addition to the counseling services, students also have the opportunity to utilize the Career Resource Lab. This lab includes a broad selection of materials such as books, pamphlets, filmstrips, college catalogues, occupational information, a college view book, occupational files, a filmstrip monitor, a micro-film file and micro-film reader.

FOREIGN LANGUAGE

Student Teacher Mr. Anthony Smith.

Left to right: Department Chairperson Mrs. Sandra Brassard, Mr. Paul Lucius, Mrs. Donna Swan, Mrs. Denise Light, Mr. Mark Winzler, and Mr. Raymond Montagna.

The Foreign Language Department at EHS has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures, but also to improve their potential in the world of work.

French, German and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin is also presented in a dynamic manner with audio-visual materials that help the student develop a better culture understanding of classical antiquity and its implications in the present.

SOCIAL SCIENCE

The 1979-1980 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science class. The social science curriculum has been designed to provide choices for students. It is hopeful that such choices increase the possibility for students to make some meaningful contact with society, to identify and understand complexities in today's world, and to formulate responsible value systems for life in a diverse world.

Left to right: Dr. Frank Taylor, Dr. Richard Celio, Mr. Frank Gawle, Mr. Richard Vincent, Mrs. Patricia Bigos, Department Chairperson Mr. Edward Boland and Mr. Dennis Corso.

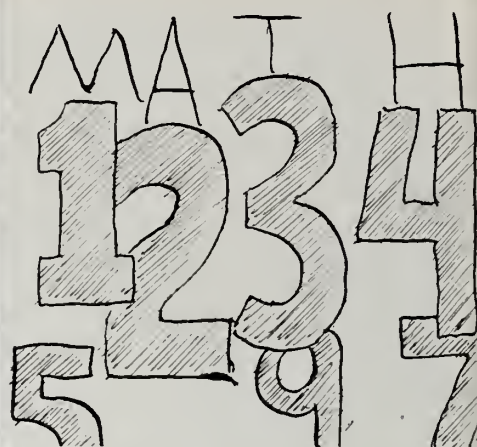

Mr. Joseph Bacewicz.

Student Teacher Mr. James Sheehan.

In recognition of the vital role that mathematics plays in our lives, the Enfield High School Mathematics Department has attempted to offer a varied and extensive program of courses. These offerings range from practical mathematics for those who desire proficiency in basic skill areas to theoretical courses for those who will pursue mathematics beyond high school. It is hoped that the students of the 1980 graduating class have gained an understanding of the basic interrelationship of mathematics and an awareness of its relevance to everyday experience, and will pursue the study of mathematics to the highest level of their ability.

Left to right: Mr. Stephen Smith, Mr. Stanley Tupek, Department Chairperson Ms. Barbara Flebotte, Mr. Eugene Scheck, Mrs. Marilyn Scheck, Mrs. Rachele Lorenson, Mr. Raymond LaFlamme, Mr. Michael Austin, and Mr. Robert Bromage.

As a result of increasing number of students electing to take science offerings and because of the continual importance of scientific knowledge in today's society, the Science Department of Enfield High School realizes the value of the established curriculum and continues to offer the following wide range of subjects.

The basic Science Curriculum of full year courses consists of: PHYSICAL SCIENCE, BIOLOGY, CHEMISTRY and PHYSICS.

More comprehensive studies of Biology and Chemistry are also offered as full year courses: ADVANCED BIOLOGY and ADVANCED CHEMISTRY.

In addition, the Science Department offers semester courses of study in the following areas: ECOLOGY, BOTANY, GENETICS, ANATOMY AND PHYSIOLOGY, ASTRONOMY I and ASTRONOMY II.

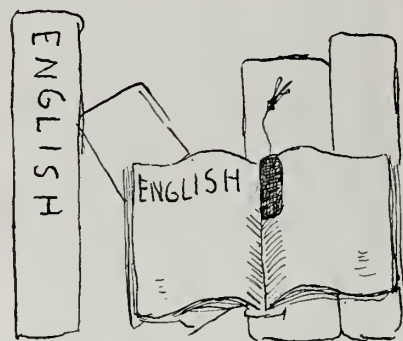

Independent study is made available upon request to those students who have specific needs not met by the established curriculum.

BEST WISHES TO THE GRADUATING CLASS FROM THE SCIENCE DEPARTMENT.

Left to right: Department Chairperson Mr. Edward Bassett, Mrs. Mary Maguire, Mr. Robert Kramer, Mr. Edward Masztal, Mr. Michael DeRose, and Mr. Kenneth St. George. Missing from picture: Mr. Richard Mazur, Mr. John Blomstrann (permanent sub), and Mr. John DeMetropolis.

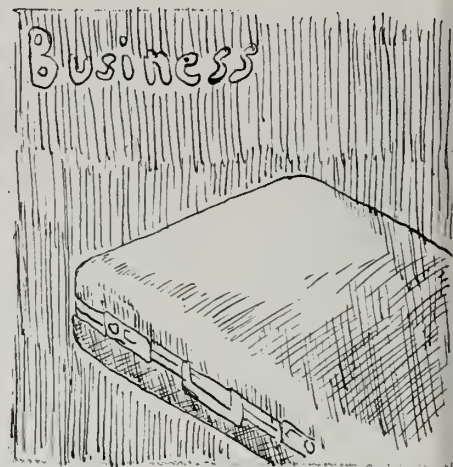

The Enfield High School English curriculum offers a varied program of required and elective courses designed to help each student achieve full potential in basic skills and in understanding and enjoyment of literature.

It is our hope that students will select courses carefully and participate fully in the activities of each class.

Left to right: Mrs. Antoinette Magnuson, Mr. Chester Blair, Ms. Anita Pappas-Raposa, Mrs. Adian Doherty, Mr. William Fogarty, Mrs. Anne Knight, Department Chairperson Mrs. Elizabeth Mullen, Mr. Robert Campbell, Miss Gail Darden, Mr. John Talbot, and Mrs. Doris Coughlin.

The Business Department offers a variety of courses in basic skills and socio-economic subjects that provide comprehensive training useful in office and business related occupations. On-the-job training opportunities are available in the fields of office and distributive occupations. Many courses also serve as a background for advance study in allied areas.

Left to right: Mr. Dennis Murphy, Mrs. Sandra Arndt, Mr. James Furey, Mrs. Dorothy Hare, Department Chairperson Mrs. Poppy Fowler, Miss Anna Parakilas, Miss Kathleen Eldridge, Mrs. Denise Cortese, Mrs. Phyllis Granata, and Mr. William Silk. Missing from picture, Mr. Edward Provencher.

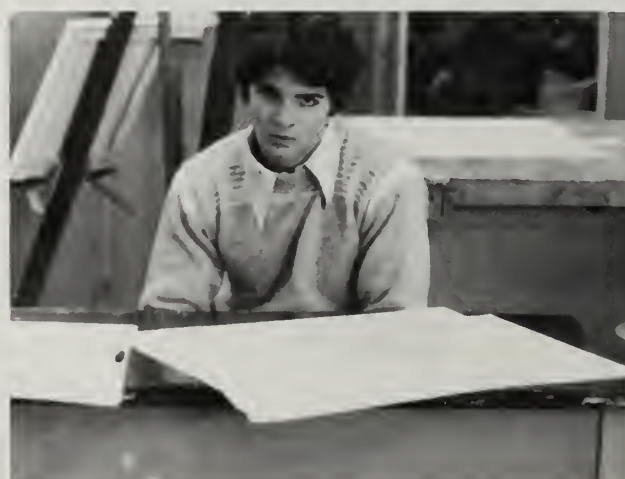

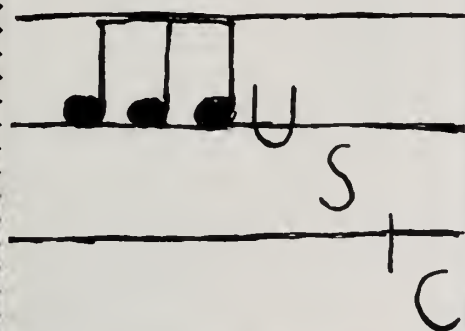

Reflecting upon this past year brings memories of challenge made and met, of individual's growth and achievements, of a year balanced with hard work and rewards. We wish to thank those students who participated constructively in creating for Enfield High School an atmosphere of creative self expression through the visual arts. To those of you who are leaving us, the Art Department extends the hope that you will find true joy and success in the "real world".

Left to right: Mr. Roy Hare, Mrs. Barbara Kemnitzer, and Mr. Newell Murri.

The instrumental area, under the direction of Mr. John Gionfriddo, includes the marching and concert bands, as well as a string ensemble and individual instrumental study.

The classroom curriculum is aimed to accommodate three different kinds of students; the general student, who may include the History of American Music or Electronic Music in his studies; the college bound liberal arts and elementary education majors, and the advance music majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino, an accomplished vocalist in his own right, is in the director's chair when our mixed and select choruses take to the risers for a performance. The vocal class which he conducts helps the students gain confidence in his sole work, improve his vocal technique, and realize the potential of his own voice.

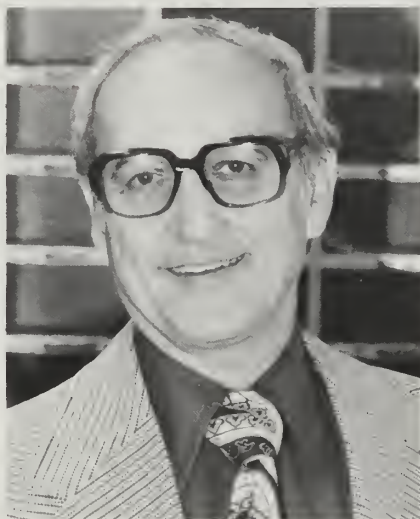

Left to right: Mr. Rocco Autorino, Mr. John Gionfriddo, and Mr. Leonard DeMaio.

Industrial ED.

The program in Industrial Education offers students an opportunity to explore and become acclimated to modern industrial techniques. Program offerings are: Home Mechanics, Automotives, Electricity, Technical Drawing, Machine Drafting, Architectural Drawing, Material Processing, Wood Technology, Metal Technology, Graphic Arts, and House Design.

Left to right: Department Chairperson Mr. Valentine Kropiwnicki, Mr. George Rypysc, Mr. Benjamin Cortese, Mr. William Noye Mr. Chester Thompson, and Mr. Lloyd Gustafsen.

Family

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we are all part of a family, and we are all consumers. However, many individuals do not have an opportunity to understand or develop the skills necessary to deal with problems related to ourselves, our families, and society in general. Family Living and Consumer Education focus upon the individual and seek to develop self-awareness through a variety of courses dealing with many aspects of our personal and social lives.

Left to right: Mrs. Judith McCarroll, Department Chairperson Mrs. Christina MacDonald, and Miss Margaret Chamberlin.

In an attempt to meet the changing needs and interests of students, the Physical Education Department offers a wide variety of activities. These activities include many individual and team sports.

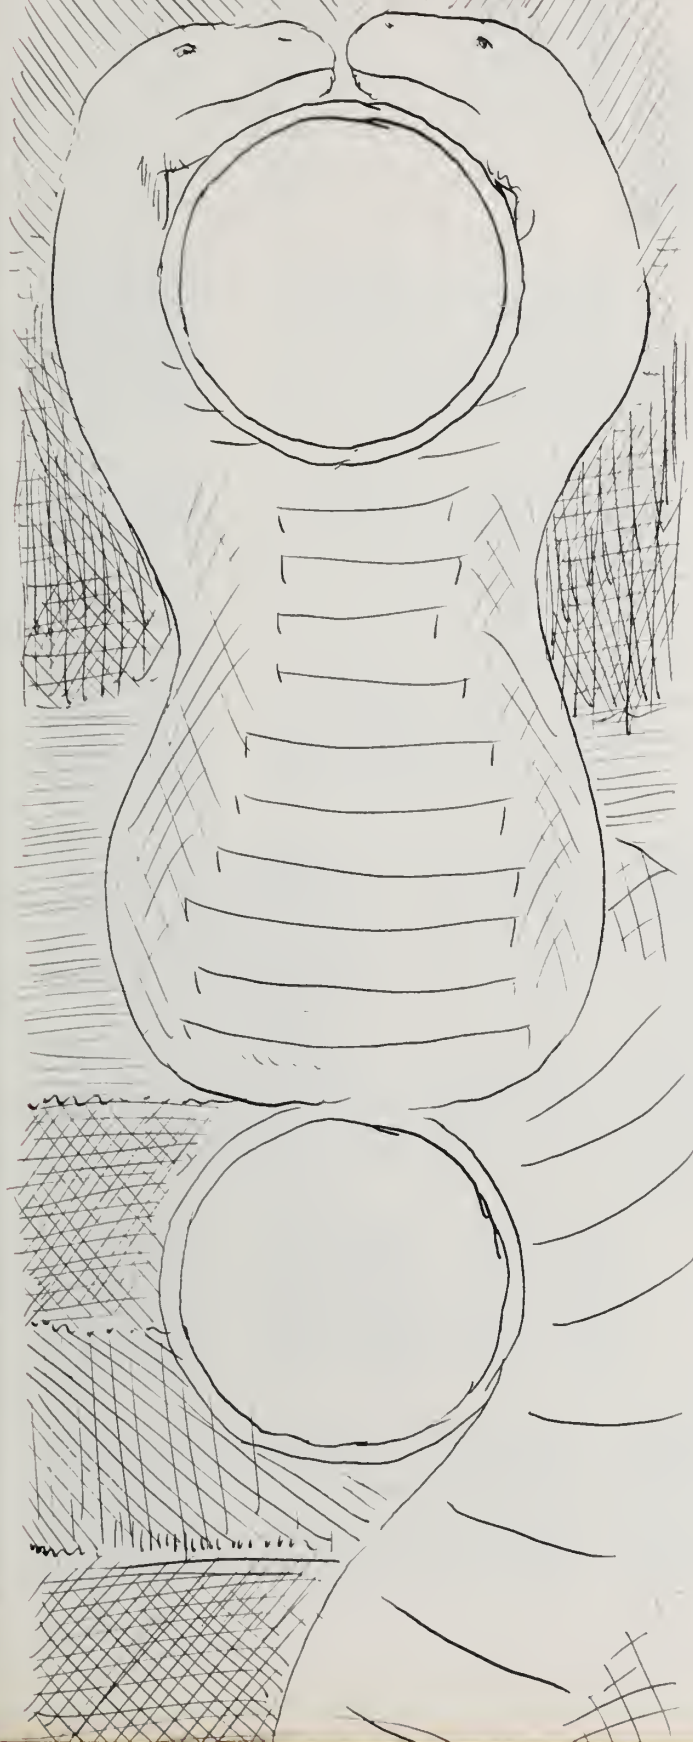

Tenth grade students participate in a structured program which includes both team and individual sports with emphasis on fundamentals and knowledge to prepare them for selection of activities as juniors and seniors.

Seniors and juniors are required to take physical education and also have the opportunity to select from a wide range of activities that are offered. The emphasis at this level will be to further acquaint students with numerous activities and to help refine their skills for a life time of physical activity.

Left to right: Mr. Joseph Lamana, Miss Kathleen Gendall, Mrs. Kathleen Bromage, and Mr. John Skyepek.

With a record of 1-9-4 the Field Hockey Team experienced its more impressive accomplishments off the field this year. They learned to work as individuals and as a team. Finding that with a little practice and patience, they can get things done. With most of the team returning next year, they are hoping for a successful season, both on and off the field, as teammates and friends.

Enfield's Swim Team enjoyed a very good season this year, ending with a 4-9 record. Led by Seniors Doreen McKiernan, Lori Reardon, Sue Jennie, Kim Hitchcock, and Robin Mergandahl, Juniors Lisa Oneto, and Paula Kweder, and Sophomore Margaret Dougan, the Raider swimmers finned their way to many school records and show much promise for next year.

The Volleyball Team's record of 2-16 does not give the players much to show for the hard work and determination that went into this season. Led by Seniors Sue Downs, Tracey Daniels, Kathy Arrowsmith, and Karen Guimond the Raider athletes never gave up throughout the season. Evidence of this showed when Enfield nearly upset league champ Windham. Good Luck to all those Seniors who are leaving, and thanks for a fine effort.

CROSS COUNTRY

Front row, left to right: Co-Captain Neil Begley, Chris McNamara, Dan Devine, and John Lipinski. Second row: Coach Ed Provencher, Maurice Keane, Co-Captain Joe Wojtas, and Matt Patsky.

The season for Cross-Country events was an improvement over last year. The team ran close in many meets, but failed to come up a winner in any. A new coach and a majority of novice runners picked up needed experience for future success.

Joe Wojtas and Neil Begley co-captained the Raider Team. Joe, an accomplished runner, was number one for the team in every meet. He also ran marathons and recently participated in the Rhode Island 26 mile event. Neil Begley and Chris McNamara, senior runners were the number two and three men respectively.

Showing improvement during the 79 season were Juniors John Lipinski, Mike Irish, Matt Patsky and Maurice Keane. Sophomore Dan Devine shows promise as a first year runner. These athletes will lead next year's team.

Second row: Henry Commo, Tony Fontana, Bob Vella, Pat Olschafskie, Mike Fusco, Eric Jorgensen, Tom Orifice, Bill King, Rich Hogan, Bill Ouellette, Bob Lally, Doug Wilby, Dan Loughrey, Ron Baer, Mark Peucker, Vin Cantania, and Mike Bednar. Third row: Coach Darrell Elliot, Coach Ron Schleicher, Scott Downs, Towny Ziter, Mike Cormier, Kevin Fetridge, Mike Downs, Dave Beaupre, Joe Coverdill, Mike Sears, John Sheridan, Joe Glista Tom Mee, Coach John Skyeck, and Coach Joe Bacewicz.

This year the Enfield Raider Football Team finished with a 1-9 record. This record does not do justice to all the hard work that went into the season. The team had high hopes after they beat Windsor. Their hopes were short lived when injuries, sickness, and penalties marred the team. Led by Seniors Dale Scoville, Stephen Peucker, and Brian Wilcox, and Juniors Dave Morton, Mike Fusco, and Pat Olschafskie, the Raider grid-ders never gave up although at times, they were being severely beaten. It's too bad the seniors have to leave with a losing record, but the returning players will be looking forward to a good season next year.

The Swim Team had a disappointing season this year. This fact can be attributed to the size of the team, only 13 members, almost all being inexperienced, with only 4 returning members. These include, Senior Captains, Fran Costanzo and Gary Sredzienski, and Juniors, John Lipinski and Gary Quint. Next year those returning can look forward to a more successful season, with the loss of only the two captains. Congratulations should be given to the members of the team who stuck with it from the start of the season to the finish. Not letting the bad points get them down and experiencing all the good times.

The Raider's Varsity Hockey Team has shown great effort and teamwork by capturing the CCIL league title. The team led by Senior Tri-Captains Bob Hughes, Stephen Peucker and Wayne Warburton were in the first place slot throughout the season. Other Seniors Wayne Gegenheimer, Kevin Theriault, Matt Janney, Mark Patsky, Steve Kuraska, and Rick Miller contributed to the team's great success. Bob Hughes and Stephen Peucker, the area's top scorers, teamed up with Kevin Theriault to lead the area with the highest scoring line. Coach Phil Clarkin was pleased with this year's fine performance and hopes that the returning lettermen will lead the team to another successful season next year.

Enfield's 1979 Varsity Soccer Team experienced an eventful season finishing with a record of 7-7-3. The team was inexperienced with only one starting senior returning. The remaining team was comprised of talented seniors and juniors. Placing sixth in a highly competitive CCIL league, a .500 record earned the Raiders a tournament berth. They advanced in the tournament by beating West Haven 3-0, but their efforts were in vain as they fell to Hall in second round action, 7-2. The team showed outstanding effort throughout the season. Next year's Raider team will be looking forward to an exciting season and will be returning for action.

The 1979-80 Varsity Basketball team experienced a very promising season. The Raiders worked very well together. A big victory over Fermi, who was in first place at the time, was an uplifting point of the season. Tough losses were also a part of the season. Losing two games by only one basket would seem to put most teams into a slump, but not the Raiders. They bounced right back. Beating Fermi was proof of the fact Raider Pride never dies. The team was led by Co-Captains Senior, Mike Maier, and Junior, Jeff Wheeler. Senior, Steve Cerrato and Juniors, Jeff Maier, Sam Bridges, Lou Bachetti, and Dave Morton contributed all their efforts. Only losing two players to graduation, next year's team will be looking forward to an exciting season.

The Enfield High School Girls' Basketball team devoted many hours practicing their offensive and defensive strategies, working the fast breaks, and perfecting their foul shooting. Ball handling skills and endurance building enabled the team to be ready to face the challenge of their eighteen game season. Many other factors go into the art of playing basketball. Confidence, determination, incentive, pride, cooperation, persistence and team effort are the building blocks of a well organized and stable team. Encouragement and willingness projected by Coach Kathleen Bromage gave the team superior guidance. The girls were fine representatives of Enfield High School and never showed a lack of spirit or drive in any of their games.

Front row, left to right: Coach Kirk Parker, Neil Begley, Mark Chamberlain, Norm Boulanger and John Giordano. Second row: Todd Sidway, Rick Canino, Rich Jute, and Rick Frechette. Third row: Kyle Martin, Carl Albert, Mike Dubois, Eric Martin and Paul Davis.

Led by Coach Kirk Parker, the Enfield Wrestling Team grappled with some of the toughest teams in the area. Although they failed to match last year's state champion performance, there were some individual standouts. Senior Co-captains Norm Boulanger and Mark Chamberlain held the team together with outstanding efforts. Possibly the greatest hindrance to the team was the lack of wrestlers to fill the twelve weight classes. More than once, the team had to forfeit a weight class or classes causing a loss of valuable points. Departing Seniors are Kyle Martin, Rich Jute, Rick Frechette, Neil Begley, Mark Chamberlain, Norm Boulanger, and John Giordano.

On the whole we can be proud of this Raider team and give them our support as they did for our school in representing us in their interscholastic encounters.
